### MASONS RESTAURANTS

"C&S Curtain Designs have provided an exceptional service to me since I first requested their guidance in refurbishing one of my restaurants. The quality of their work is unsurpassed and they deliver what they promise every time"

Matt Mason. Proprietor ----- Hi Carol & Sharon

Just to let you know how delighted I am with the Roman Blinds and Cushions you recently made for my lounge. You gave such a friendly but professional service plus your advice was invaluable. They look terrific !!!  
I have already recommended you to my friends.  
Good Luck with the opening of your new shop in Earls Colne.

Kind regards  
Jean

Sible Hedingham ----- "I recently down-sized into a bungalow which I was having completely refurbished. I commissioned Carol & Sharon to provide curtaining for all the windows. From every point of view I have been delighted with all the work they have done for me. They provided a wide range of samples from which to choose my designs, bringing them to my home and sensibly discussing the suitability of materials for the work I wanted done. They completed all measuring and subsequent fitting of the curtains to my entire satisfaction. In follow up work they have provided and fitted blinds to certain windows and have made cushions for my kitchen chairs. In every aspect they have shown skill and professionalism of a high order. They are efficient, courteous and reasonable in price. In all it has been a pleasure to do business with them and I would unhesitatingly recommend them for work of this kind"
